

FOSTER APPLICATION, AGREEMENT & ADOPTION ADDENDUM

To be considered as a foster you must meet the following:

- Be at least 18 years of age
- Have legal identification with current address
- Be able to verify you can have pets at your present residence

FOSTER AGREEMENT

Foster Agreements are for dogs or cats that are recovering from surgery, illness, or injury and are under medical watch as well as animals that are too young for adoption and senior pets. Many foster animals may have a lowered immune system so they will require specialized care and/or need to be kept separate from other animals who are not properly vetted.

It is a shared responsibility between Watermelon Mountain Ranch and the foster homes to work together for the well-being of the foster animal(s).

Different Types of Fosters

- Overnight Foster – during adopt-a-thons
- Short Term Foster – 1 to 2 weeks
- Long Term Foster – for medical care or behavioral rehab
- Foster to Adopt Program – bring animal to adoption events & foster until adopted
